

Refund Policy

At **statsinnotech**, we are committed to providing reliable and quality services to our students and customers. This Refund Policy explains the conditions under which a refund may be requested.

1. Refund Eligibility

A refund may be provided in the following cases:

- The service cannot be provided due to an issue from our side.
- A service is cancelled by the organization before it begins.

2. Non-Refundable Services

Once the registration process has been successfully completed and the payment has been made, the registration fee is non-refundable.

No refund will be provided in the following situations:

- The participant changes their mind after registration.
- The participant is unable to attend or complete the program.
- The participant does not use the services provided.
- The participant requests cancellation after registration.

3. Refund Processing

All refund requests will be reviewed before approval. If the refund is approved, the amount will generally be processed within 5–10 business days.

The actual time taken to receive the refund may depend on the bank or payment provider.

4. Refund Method

In cases where a refund is approved, the refund amount will be credited directly to the customer's registered bank account. The customer may be required to provide valid bank account details for processing the refund.

5. Failed or Duplicate Payments

If an amount is deducted due to a failed or duplicate transaction, please contact us with the transaction details. After verification, the eligible amount will be refunded.

6. Policy Changes

statsinnotech reserves the right to update this Refund Policy when necessary. Any changes will be published on our official website.
